

MESSAGE FOR MUSLIMS IN THE WEST

Maulana Abul Hasan Ali Nadwi (Rahimahullah)

Maulana was requested to convey a message for the Muslims of America. His resounding message, delivered in Lucknow, India on 3 September 1983 is significant not only for the Muslims of America but for all Muslims residing in the West.

YOU ARE AT A GOLD MINE

Greetings of love, sincerity and affection to my brothers who are not present and who cannot see me and I cannot see them.

You are very fortunate indeed, as Allah has placed you at a gold mine, or rather at a new mine of jewels. This is the mine of searching human souls, agitated hearts and restive minds that are looking for a path, a way that will restore to them faith and certitude, establish their link with the Creator of the Universe, make them understand his qualities and attributes and his unique relationship with his creation. A way that can create in them the inspiration to grasp the expanse of the cosmos, the depth of the human soul

and the flights of the human spirit. Allah has given you this opportunity which was not accessible to many scholars and pious figures before. They used to long that Allah Ta'ala would give them the opportunity through which they could ignite the spirit of Islam and thereby enhance their own connection with Allah. They used to pass ages without finding such an opportunity.

DISCOVER THE 'NEW WORLD'

Allah has sent you into that land. I do not subscribe to the logic of incidental occurrence. My mind cannot accept that anything in this world can happen without the will and plan of Allah Ta'ala. I believe that Allah has chosen you to live in that land so that you may discover that 'new world'. It is time now

that the 'new world' be rediscovered. Columbus was not the only one to have this honour, it is time that every one of you seek the discovery of a 'new world'. The 'new world' that I am talking about is not a continent, but a world of humanity, human progress and human perfection. Whosoever will discover this 'new world' will do a favour to humanity greater than what Columbus claimed. To discover a new continent for the exploitation of one's nation and its conquests is not a favour to humanity.

INCREASE YOUR FAITH

You have a golden opportunity to discover a 'new world'. You must protect your own faith. The word

'protect' however, I consider below the rank of a Muslim. A Muslim is the protector of the faith of the nations of this earth. He protects their relationship with Allah Ta'ala. To tell a Muslim to protect his own faith is below the rank of a Muslim. But the winds of faithlessness that are blowing and the new mental and spiritual unrest that is prevalent, especially in America, makes me believe that you must protect your faith there. You must in fact increase your faith. The failure of western culture and the inadequacy of science and technology to fulfil those objectives of life that bring peace and satisfaction should urge you to present to them the noble message of Islam.

'NARROWNESS' OF THIS WORLD

As the Arab envoys said long ago, we came to free men from being slaves of other men to becoming the servants of Allah and to free them from the narrowness of this world to the vastness of the world. Today, this mission is as important as it was in the seventh century after Christ. Indeed, it has become even more important now. It is possible to fulfil this mission today as it was in the sixth and seventh centuries...[READ MORE](#)

What to do on the day of Arafah 9th Zul Hijjah

The 9th day of Zul Hijjah is known as Youmul Arafah (The Day of Recognition) for various reasons. It is regarded to be the best day of the year and one in which many virtues are combined.

The following are established practices from the Hadith which every Muslim should endeavour to fulfil on this great day.

Fasting on the day of Arafah - The fast of this day has great significance and is highly recommended. Nabi ﷺ said "I have hope in Allah Ta'ala that the fast of Arafah will be an atonement for the (minor) sins of the past and the forthcoming year." (Tirmizi)

Seek forgiveness and sincere repentance - Nabi ﷺ said, "There is no day in which Allah sets free more souls from the fire of hell than on the day of Arafah. On this day Allah draws close to the earth and by way of exhibiting His Pride remarks to the angels, 'What is the desire of these (servants of mine)?'" (Muslim)

Acceptance of Dua - This is a day for abundant dua. It is advisable to set aside time in this day for dua so dua can be made in earnest. Try to make as many duas as possible by remembering family, friends, the Ummah and humanity at large. Nabi ﷺ said, "The best dua is the dua on the Day of Arafah, and the best of what I and the prophets before me have said, is

لَا إِلَهَ إِلَّا اللَّهُ وَحْدَهُ لَا شَرِيكَ لَهُ لَهُ الْمُلْكُ
وَلَهُ الْحَمْدُ، وَهُوَ عَلَى كُلِّ شَيْءٍ قَدِيرٌ

"There is none worthy of worship except Allah, He is Alone and has no partner, to Him belongs the Universe and to Him belongs all praise, and He has complete power over all things." (Tirmizi)

GOOD BUSINESS PRACTICE

Islamic business ethics are guided by principles derived from core teachings of the Qur'an and Sunnah. These principles emphasise fairness, justice, honesty, and accountability in all business dealings. Some of these teachings are:

Hazrat Abu Hurayrah ؓ narrates that Nabi ﷺ said, "Verily Allah loves a person who is easy-going in selling, buying and paying a debt." (Tirmizi, Hakim)

Hazrat Jabir ibn Abdilllah ؓ narrates that Nabi ﷺ said, "May Allah have mercy on a person who is easy-going when selling, when buying and when retrieving a debt." (Bukhari, Ibn Majah)

Hazrat Abdullah ibn Abbas ؓ narrates

that Nabi ﷺ said, "Be gentle in your approach when dealing, you will be dealt with kindly (by Allah)." (Musnad Ahmad)

Hazrat Jabir ibn Abdilllah ؓ narrates that Nabi ﷺ said, "Allah forgave a man from those before you who was magnanimous when selling, buying and retrieving a debt." (Tirmizi, Musnad Ahmad)

The above Ahadith teach and encourage Muslims to be kind, gentle and magnanimous when trading. Demonstrating these attributes is a means of gaining mercy, kindness and forgiveness from Allah Ta'ala and even entry into Jannah. Such conduct will also bring immense Barakah in our earnings and serves as a means of inviting to Islam.

Islamic teachings also include valuing and investing in employees' well-being, including providing fair wages, opportunities for growth and development, and maintaining a safe and healthy work environment.

Good business practice adds value to our business. Let our businesses be a source and force for driving good and opening channels of opportunity in this world.

Malaysians effective boycott of KFC stores

Due to months of economic boycotts linked to the Israel-Palestine war, over 100 branches of the fast-food franchise KFC have been “temporarily closed” in Malaysia.

In response, QSR Brands; the owner and operator of KFC across Malaysia, Brunei, Singapore, and Cambodia; has taken to temporarily closing outlets in order to manage losses. A number of 108 stores have by this time ceased operations. The Kelantan state has been hit the worst, affecting up to 21 outlets within the province alone.

Similarly, there have also been reports of Starbucks and McDonalds closures across the Muslim-majority nation Malaysia. These chains have reported a slump in business due to the USA's stance on the war in Gaza.

New 'Home Affairs on Wheels' initiative launches across South Africa

A total of 100 trucks were launched into service, and these mobile offices will process applications for smart IDs, passports, and birth, marriage, and death certificates on site. The fleet is expected to be distributed across the nation.

“This new fleet of mobile Home Affairs offices won't be moving constantly around the provinces. They will be available in a village or town at a particular time so that people can know when to go there,” Ramaphosa said at the opening. “We don't want to make it easier. We want to make it faster and we want to make it cheaper.”...[READ MORE](#)

ZIKR FOR THESE 10 DAYS

Hazrat ibn Abbas رضي الله عنه reports that Rasulullah ﷺ said: “There are no days in the year wherein the worship of Allah Ta’ala is greater (in reward) and more beloved to Him than the first ten days of Zul Hijjah. Therefore increase the recitation of Tasbeeh, Tahmeed, Takbeer and Tahleel.

Tasbeeh سُبْحَانَ اللَّهِ Tahmeed الْحَمْدُ لِلَّهِ
Takbeer اللَّهُ أَكْبَرُ Tahleel لَا إِلَهَ إِلَّا اللَّهُ

Title: Abu Saaib

Uthman bin Maz'oon was one of the early companions. He was from the tribe of Quraysh, specifically from the clan of Jumah. Uthman bin Maz'oon was among the earliest reverts to Islam and played a significant role in the early Muslim community.

Like many early Muslims, Uthman bin Maz'oon faced persecution and hardship in Makkah due to his adherence to Islam. He endured social ostracism, economic difficulty, and physical torture along with other early Muslims.

THE TAKBEER OF THE DAYS OF TASHREEQ

اللَّهُ أَكْبَرُ اللَّهُ أَكْبَرُ، لَا إِلَهَ إِلَّا اللَّهُ
وَاللَّهُ أَكْبَرُ، اللَّهُ أَكْبَرُ وَلِلَّهِ الْحَمْدُ

RULING:

The recitation of the above Takbeer is compulsory upon every male and female immediately after every Fard Salah.

DAYS OF TAKBEER:

CHILDBIRTH

Islamic Guidance On What To Do Upon The Birth Of A Child

The arrival of a new-born brings great joy, delight and fulfilment to the parents and family. With the arrival of the new-born problems and tribulations are forgotten, and the parents' focus is now directed to their bundle of joy. However, coupled with this joy, the coming to being of a child is a tremendous responsibility upon the shoulders of the parents.

Islam has prescribed certain practices on this occasion, which are beneficial, and if carried out correctly, will have a positive effect on the child. Practices which are not established and which could bear negative repercussions for the child, should be avoided.

AFTER THE CHILD IS BORN

If possible, and health permitting, the child should be given a ghusl (bath). Thereafter, the Azan should be called into the child's right ear and Iqamat in the left ear. The Azan may be called by the child's father or an adult Muslim.

By calling out the Azan and Iqamat into the new-born's ears, the name of Allah Ta'ala and Nabi Muhammad ﷺ reaches the depths of the child's heart. The seed of Iman and faith is embedded in the child. Azan also repels shaytan.

It is preferable to recite the following dua after the Azan and Iqamat:

For a boy recite:

اَللّٰهُمَّ اِنِّىْ اُعِيْذُكَ بِكَ وَ ذُرِّيَّتَهُ مِنَ الشَّيْطَانِ الرَّجِيْمِ

Transliteration: Allahumma inni ueezuhu bika wa zurriyyatahu minash shaytaanir rajeem.

For a girl recite:

اَللّٰهُمَّ اِنِّىْ اُعِيْذُهَا بِكَ وَ ذُرِّيَّتِهَا مِنَ الشَّيْطَانِ الرَّجِيْمِ

Transliteration: Allahumma inni ueezuha bika wa zurriyyataha minash shaytaanir rajeem... [READ MORE](#)

BE MINDFUL OF THOSE AROUND YOU

Being mindful of those around you involves cultivating awareness, empathy, and consideration for others' thoughts, feelings, and needs.

The Noble Qur'an emphasises kindness towards parents, relatives, orphans, etc. Furthermore, one's duty of kindness and awareness goes beyond those closely related to everyone who one comes in touch with.

Being kind and empathetic entails:

- Paying close attention to what others are saying without interrupting or judging. Show genuine interest in their perspective and validate their feelings.
- Acknowledging others' feelings and demonstrate empathy by offering support or assistance when needed.
- Being mindful of your body language, facial expressions, and tone of voice, as these cues can convey your attentiveness and respect for others.
- Being patient and understanding, especially when others are expressing themselves or dealing with challenges. Avoid rushing or dismissing their concerns.
- Offering support, encouragement, and kindness whenever possible.

Q&A

Q Is it permissible to make Qurbani during the night?

A It is preferable to slaughter during the day, It is however permissible at night, if there is sufficient lighting.

Q How should a person make up for Qurbani if he did not perform it?

A If Qurbani is Wajib, the obligation must be executed. If Qurbani was not offered due to any reason, then it is Wajib to give in Sadaqah (charity) the price of the Qurbani animal or the unslaughtered (live) animal itself to the poor (if the animal was purchased and not slaughtered).

Q What is the wisdom of Qurbani?

A The central theme of Qurbani is submission to the Will of Allah Ta'ala and sacrificing everything for His pleasure. It is a Sunnah (practice) of Ibrahim عليه السلام and the Ambiya عليهم السلام.

Sacrificing an animal is an act that symbolizes this philosophy. Qurbani calls for the slaughter of one's egoistic traits such as hatred, jealousy, pride, base desires, lust, greed, animosity, love for the world and other such maladies of the heart.

Q Is it permissible to do Qurbani before Eid Salah in rural areas and farms?

A Yes, if the Qurbani is done at a place where Eid Salah is not permitted like a rural area or farm, it will be allowed to do Qurbani once the Fajr Salah time sets in.

Q I will be a Musafir on the days of Qurbani i.e. 10th, 11th and 12th of Zul Hijjah. Will Qurbani be compulsory upon me?

A Qurbani is not compulsory on a Musafir (traveller). However, if a Musafir has the financial means and is able to do Qurbani, then this would be greatly rewarding and praiseworthy.

Q Is it permissible for a husband to purchase and sacrifice a Qurbani animal on behalf of his wife?

A Yes, a man may purchase and sacrifice an animal for his wife from his wealth, with her consent, for the validity of her Qurbani.

Q When should Qurbani be performed?

A The time for Qurbani commences after the Eid Salah on 10 Zul Hijjah and ends at the setting of the sun on 12 Zul Hijjah. It is better to make Qurbani on the first day, but permitted on the 2nd and 3rd day.

Q Is it permissible to appoint a proxy to perform one's Qurbani?

A Qurbani will be discharged when done by a proxy. The proxy may be an organisation or an individual. His intention will suffice.

SUNNATS OF EID

THE "FAST" OF EID-UL-ADHA

It is Mustahab (preferable) for the person making Qurbani to abstain from eating anything on the Day of Eid from the morning till his animal is slaughtered. It is preferred to partake of the Qurbani meat first, before eating anything else from the Qurbani animal.

NB. This is a Mustahab (optional and rewarding) practice - there is no compulsion. However, we should all endeavour to practice and reap the benefit.

Darul Ihsan Bursary Fund Continues Empowering Learners

South Africa. Each year hundreds of learners apply with the hope of securing a bursary in order to successfully pursue their chosen field of study.

The cost of education, college or university (pre-tertiary and tertiary) is becoming progressively costly. Education fees, text books, travel and other related costs are constantly escalating and becoming more and more exorbitant.

The Darul Ihsan Bursary Fund (DIBF) endeavours to assist deserving students through a simplified application process and swift disbursement. Students from many fields of Islamic and tertiary study are beneficiaries of the fund. Several hundred students receive assistance from the fund annually, courtesy of the kind sponsorships and funding received from the community...[READ MORE](#)

Daughters of the Ummah event brings together Muslimah Youth in preparation for Eid-ul-Adha

Over 30 youth aged between 12-20 attended the event, which took place at Madrasah Ihsan in Sea Cow Lake, Durban. The programme opened with a Qir'at recitation, followed by an insightful presentation on the origins of this auspicious occasion of sacrifice. This included the incredible story of Hazrat Ibrahim's ﷺ life, alongside the lessons of sacrifice and humility that can be adopted in today's age.

The different meanings of sacrifice were also discussed, such as exchanging things in one's life for others more important and worthy; an example being offering time and wealth in exchange for one's faith.

This topic also drew parallels to the current situation in Palestine. Attendees were asked to look closely at the strength of those suffering in Gaza; to think carefully about the sacrifices countless families have made; and continue to make; during their plight.

The virtues and laws of Qurbani were then explained, thoroughly detailing rules and regulations concerning when, how, and by who it should be performed, alongside other applicable information.

The last item on the itinerary was a live demonstration of slaughtering a live animal, in which a skilled guest provided practical details and knowledge simultaneously. This helped introduce the young muslimahs to the practice and instil them with the confidence needed to partake in their own Qurbani...[READ MORE](#)

Youth of the Ummah Hosts Live Qurbani Demo

An eager group of 68 youth, aged 12-21 attended the demo with a few parents joining in. The program began at approximately 08:45 and concluded at 13:00 with lunch.

The program equipped learners with valuable skills related to Qurbani, with particular emphasis on the slaughtering and skinning of the Qurbani animal as demonstrated via a live demo conducted by the Ulama of Darul Ihsan Humanitarian Centre. Lessons from the life of Hazrat Ebrahim ؑ, the relevance and need for continuous spiritual growth and the value of the first 10 days of Zul Hijjah were also discussed with attendees. A knife sharpening demonstration was highlighting the importance of being well prepared and usage of the correct equipment in carrying out the Ibadah of sacrifice. In the quest to satiate thirsty minds, a Q&A session was chaired as well with intriguing questions being posed to the Ulama...[READ MORE](#)

Darul Ihsan Launches Annual 'Sponsor A Blanket' drive for 2024

With a warm welcome from hosts, the team began distributions in Kokstad, in which 165 blankets and snack packs were given out from the local masjid.

The next location was Cedarville - a small town in the Eastern Cape - in which 40 blankets and snack packs were distributed to residents from the Cedarville Madressah. The team's visit was met with thanks and appreciation from the recipients as well as the host, who stressed that the initiative united the small community.

Matatiele was next, in which the team engaged in distributions from the Matatiele Masjid after a warm welcome. An amount of 105 blankets and snack packs were handed out and met with heartwarming words of appreciation.

On the return trip home, the team made an impromptu stop at Masjid-E-Bilal in Boboyi. After joining in the salaah, the team distributed the remaining blankets and snack packs to the brothers present. Additionally, the team handed an older sister who was passing by the masjid a small gift from the organisation, which she received with tears of gratitude. Though their presence and donations were received with unabashed kindness by all, this small encounter was the highlight of the team's trip.

With the grace and mercy of Allah, the Darul Ihsan Humanitarian Centre strives to continue work like this to give back to destitute and deserving communities...[READ MORE](#)
